

Bruno's BBQ Restaurant & Catering

245 Mt. Hermon Road Ste. H
Scotts Valley, CA 95066

Bruno's gift card program for students is really a meal card. It is for parents who want to know where and what their kids are eating when they are not eating at home! We are offering gift cards for parents to buy for their kids so they can eat while they are out and about for the summer, or even when they return to school. Bruno's will donate 10% of all proceeds back to the Scotts Valley Educational Foundation!

Bruno's gift cards are good for teacher gifts also!

If you or your family have never experienced Bruno's, please mention this form and receive 15% off your first visit.

Please complete the form below. You can mail in or email the info at get2bbq@hotmail.com, call in the info 438.2227, or drop by and pick-up a card. For those parents who do not want to chance their kids losing the card, we will be happy to keep them for you at the restaurant, debit the card when your child uses it and send you the receipts. When the card needs additional funds we can notify you (your child must have some form of identification).
